

Quality Characterization of IGF-1 LR3
Nanolab - plus

Number #A78B90C12-YHN
Testing ordered > 2025-01-16

Product: Igf-1 Lr3 1mg/vial
Dosage: 1mg
Doctor: Dr. Arjun Singh
Manufacturer: Genheal
Batch: Igf-1 Lr3 1mg/Vial (Lot# A78B90C12-2024)

Sample description >

IGF-1 LR3, a long-acting insulin-like growth factor analog, was characterized to verify its molecular integrity and purity. Peptide therapeutics require stringent analysis to ensure proper sequence, absence of aggregates, and accurate concentration for consistent biological activity.

Tests requested >

Quality Characterization of IGF-1 LR3

Results >

concentration	0.284 mg
Purity	28.4
